January 23, 2020 Roadway Committee Work Session – Background Notes

3. **Road Widening Project Update.** Staff will present an update on the project's construction phase including current schedule and financial status.
4. **High Point Regional Detention Pond Agreement.** The High Point developer has submitted a proposal to construct a regional detention pond on one of the Authority's remnant parcels between 64th Avenue and Pena Boulevard. The pond will accommodate the Authority's future road widening needs and also the proposed development. The developer will fund construction and maintenance will be by the Metro District or Mile High Flood District.
5. **Hazmat Route Analysis.** Staff and consultant SEH will present a summary of the Hazmat Route Analysis and future steps in the process.
6. **2020 Master Plan.** Staff and consultant SEH will present a summary of the Draft 2020 Master Plan which was distributed to member jurisdictions for review earlier this month.
